**Matsue The sunset over Lake Shinji is one of the most beautiful ones in Japan.**

The beauty of the evening that changes in various ways as time passes is a sight to behold and the sunset over Lake Shinji has been chosen as one of Japan's 100 Most Beautiful Sunset-watch spots. It is a symbol of Matsue — the City of Water. In addition, the sun sets in the direction of Izumo (such as Izumo-Iaiha Grand Shrine), home of the gods, and you can feel a heavenliness when the sunlight breaks through the clouds and hits the surface of the lake. The scenic beauty created by the nature of this land is truly magnificent and the sunset over Lake Shinji brings a peace that is beyond compare. This sunset has been loved by many litterateurs and artists such as Lafcadio Hearn and Katali Tayama. Please come and see it for yourself.
